As Brough Runners is growing we want to ensure that we have the most effective communication and support available to you. This means that we require your consent to use the above information in the following way:-

1. To store your personal information on the run leaders' computers / smartphones to ensure :
  - a. An up to date overview of all runners' key details, in either electronic or printed form, are available at each session for use in an emergency whilst out running.
  - b. An up to date register (names only) that is updated and saved after each session enabling Brough Runners administration to review attendance patterns.
  - c. To include your email address in our distribution lists so that we can send you relevant information, (cancellation of sessions due to weather, race event information, Brough Runners group events etc.)
  - d. We can text message you relevant information (cancellation of sessions due to weather, race event information etc.)
  - e. Unless you tell Brough Runners otherwise your details will be removed from our files if you have not attended a session during the previous 6 months.

**Your details will not be passed on to other organisations.**

**All participants do so entirely at their own risk**, however to make our running sessions as safe and injury free as possible please confirm that you have read and understood the following:-

- Generic running risk assessment ( available via [www.broughrunners.co.uk](http://www.broughrunners.co.uk) )
- Route information prior to each session.
- That it is your responsibility to warm up prior to and cool down after each session
- Your personal details will be removed from the database/ distribution lists if requested in writing.
